Dear Mr. Brown:

The 2017 Board of Directors of the Lancaster Chamber of Commerce, would like to extend our letter of support to the Great American Track and Field Classic organization. We recognize that your organization had many choices and we are excited that you have selected the City of Lancaster, Texas.

The Lancaster Chamber of Commerce is here to provide economic opportunities for our members, and this event would bring a number of new visitors to our city, with wonderful opportunities for our businesses to showcase their goods and services. The Chamber is prepared to advertise the event, and assist you with connecting to the businesses and the City of Lancaster, in order for this event to be successful.

Again, as the 2017 Chamber Board President, I am excited to extend our letter of support to your organization for selecting the City of Lancaster and bringing this historic event to our city.

Please feel free to call upon us as you continue to plan this event. Let us know how we may be of further service.

Sincerely,

A handwritten signature in cursive script that reads 'Patricia A. Davis'.
